**CONNECTORS** The heated towel rails are supplied as standard with connectors "0B1"

If different connectors are required, strictly indicate this in the order. IMPORTANT: the connectors for heated towel rails and radiators connected to the same system must all have the same configuration, otherwise operating problems may occur.

Digital Chronothermostat (code ZRF007)

The WIRELESS Thermostat requires the installation of the Receiver included in the price.
For the assembly diagram see page 330 of the official 2023 Price List.

Wi-Fi thermostat (code ZRF081)

The Wi-Fi Thermostat connected to the chosen model via cable is designed to manage the product via APP also remotely.
The Thermostat, available in the WHITE finish (code ZRF081) and BLACK (codeZRF082) must be connected to the household wi-fi.

ELECTRIC VERSION WITH EDGE CAP
Only available for the extra EEC market and/or connected to a home automation system complying with ECODesign regulations
